

# SWING

Traditional Food with a Modern Twist

## Welcome to Swing

Swing has been a family-owned restaurant for the past decade and we love food! We take pride in preparing most of our entrees from scratch, rather than using pre-made frozen food that many restaurants rely on. As you look through our menu, you'll see terms like "home-made," "in-house made," or "our own," which means these recipes are either from our family traditions or created by us. We have our own special recipes of house-made salad dressings, hand-breaded mozzarella, chicken and fish. Plus a variety of house-made sauces. Follow Swing on Facebook and sign up for our newsletter to keep in the groove with our ever-changing bi-weekly specials menu and our upcoming events. We're truly passionate about our food to make sure you have a fantastic dining experience. Thank you for choosing us to serve you!
